

CALLING OF THE DIRECTIONS

- We invite the **CREATOR**...the Giver of the whole of creation...the power that created all positive and negative aspects of all that is. We welcome you, CREATOR, into our hearts and into this Circle. A-HO!
- We invite the Energies of the **WEST**...the color Black...Honor. We welcome transformation, introspection and death, to live in our trueness. The Bear goes into hibernation to seek the gift of renewal. The contrary is Power and Ego. We welcome the Spirits and Energies of the WEST. A-HO!
- We invite the Energies of the **NORTH**...the color White...Wisdom and Humor. We welcome the maturity of the Elders to help us on our paths. The element Wind brings us change and gives us new direction. The four-leggeds give us food, clothes, and strength. The White Buffalo moves like the wind. The contrary is Arrogance. We welcome the Spirits and Energies of the NORTH. A-HO!
- We invite the Energies of the **EAST**...the color Yellow...Responsibility. We welcome the rebirth of our connection to the beauty and bounty of the world. The element of the East is Fire...the sun's forces that create flame and renewal. The animal is the winged-one. Great Thunderbird flies highest to the realms of the Creator with the greatest vision. The contrary is Pride...that which stops our growth. We welcome the Spirits and Energies of the EAST. A-HO!
- We invite the Energies of the **SOUTH**...the color Red...Humility. We welcome our birth into a new way of being in our world. The element of Water cleanses and nourishes our body and emotions through our tears. The Coyote, the trickster, teaches us to laugh at our fallibility. The contrary is Fear...the emotion that causes us to run. We welcome the Spirits and Energies of the SOUTH. A-HO!
- We invite the Energy of **MOTHER EARTH**...the color Green...Gratitude...where we get all our food, water, and medicines that nurture and heal us. Here we honor all Feminine aspects. She teaches us to give and to receive. The contrary is Greed. We welcome the Spirit and Energy of MOTHER EARTH. A-HO!
- We invite the Energy of **GRANDMOTHER MOON**...the color Blue...Illumination. She dares us to reveal our true selves so we can see our contraries. She represents the magical aspects of the ebb and flow...the heartbeat of all things on Earth. The contrary is Control. We welcome the Spirit and Energy of GRANDMOTHER MOON. A-HO!
- We invite the Energies of **JESUS** and the **PROPHETS**...the color Purple...Teachers. Here we learn that loving ourselves and all things is the true journey on earth. The contrary is Hate. We welcome the Spirits and Energies of JESUS and the PROPHETS. A-HO!
- We invite the Energies of **FATHER SKY**...the color Silver...Creation...the gifts of the Universe, the Heavens, the sunshine, the rain and the elements needed to create life. The contrary is Death. We welcome the Spirits and Energies of FATHER SKY. A-HO!
- We invite the Energy of **GREAT SPIRIT**...the color Gold...the invisible thread of Life...Connection – as all things are related. The contrary is Scatteredness. We welcome GREAT SPIRIT. A-HO!
- We invite the Energies of our **ANCESTORS** who have come before us...those whose Blood we give to our children. The contrary is Foolishness. We welcome those who support, encourage and empower us to become who the Great Spirit intended us to be. A-HO!
